Search Help

Step-by-step instructions to navigate our Branch Search Option

1. Your Local Library Branch page will provide information for what is going on at your library.

From this page, you will be able to search for items available for pick-up at your location. Follow our simple "how-to" to make your search easy and productive.
2. Log-in to your account

County of SLO Public Libraries

County of SLO Public Libraries are currently only accepting hold requests for local patrons for curbside pickup at Atascadero, Arroyo Grande, and San Luis Obispo Libraries.

More information is available at www.slolibrary.org

Our digital library collections remain available for your convenience 24/7.

Please enter your barcode or username, and password.

Your password is Case-Sensitive.

3. Enter title, author, subject or other term in Keyword Search

From this page you will be able to search for your library’s items if they are available for pick-up at your location.

4. Click WHERE IS IT to check availability

This lets you know if your search item is available for Holds.
5. Place a request
6. You will be notified when your Hold is available for pick-up

For more information, please visit the Library’s Website at www.slolibrary.org
